

Orion Governance and Deloitte Tohmatsu Risk Services Announce New Strategic Reseller Agreement to Accelerate Enterprise Digital Transformation in Japanese Market

SAN FRANCISCO, Oct. 7, 2019 /PRNewswire/ -- Orion Governance, a disruptor in the Information Governance space and the provider of the enterprise information intelligence graph (EIIG), and Deloitte Tohmatsu Risk Services (DTRS) signed a new strategic reseller agreement to accelerate organizations' information governance. In collaboration with DTRS, Orion Governance will address critical challenges in helping Japanese organizations get the most from their data, leverage Machine Learning and Artificial Intelligence to reduce the costs, as well as to comply with regulatory obligations and so on.

Ramesh Shurma, Chief Executive Officer, Orion Governance

"We are excited to work along with DTRS in helping Japanese customers recognize and understand the current state of corporate data in eight weeks. We will help them discover, trust, and govern their data so they can derive valuable insights across their business. Collaborating with DTRS allows us to bring our technology to help accelerate the adoption of governance for their clients."

About Orion Governance
