

Orion Governance announces new offices in Singapore and Australia – Expanding business to cover Asia Pacific Japan markets in spite of COVID-19

SAN FRANCISCO BAY AREA, August 25, 2020 - - Orion Governance, a leader in Metadata Management solutions and the provider of the Enterprise Information Intelligence Graph (EIIG), the foundation for the data fabric, announces the opening of 2 new offices in Singapore and Australia. Ramesh Shurma, CEO, explains, “In spite of COVID-19 challenges, there is a growing demand for regulatory compliance and data trust, especially with the increasing use of data science models and a recognition of the critical role metadata plays today in the APJ market.”

The partnership between Orion and Deloitte Tohmatsu Risk Services Co. Ltd in Japan ([Click here](#)) has been very successful. Now with the addition of the Singapore and Australia offices, it reinforces Orion's commitment to servicing customers in the Asia Pacific and Japan markets.
