

## **Orion Governance named a 2020 Gartner Cool Vendor in Graph Technologies**

SAN FRANCISCO, October 21, 2020- - Orion Governance, a leader in Metadata Management solutions and the provider of the Enterprise Information Intelligence Graph (EIIG), the foundation for the data fabric, was named a Cool Vendor in the October 2020 Gartner Cool Vendors in Graph Technologies report.

"The Cool Vendor report is an affirmation of the value that Orion's Enterprise Information Intelligence Graph (EIIG) brings to our customers. We have pioneered "fact-based governance," taken the road less traveled. I'd like to thank the Gartner analysts, our customers and the Orion team for having made this possible. Orion is committed to its promise of accelerating time to value by continuing to innovate and provide game changing technologies," said Ramesh Shurma, CEO of Orion Governance.

The Cool Vendor report states, "The growing business need for context-aware applications requires a swift, continuous and multilayered analysis of any data. This is best achieved with graph technologies that can combine disparate data to uncover relationships and patterns."
